- ✓ **Full Deployment Support:** Visa assistance, medicals, and orientation.

Bridging Continents & Talent

Connecting Africa & Asia with Global Market Opportunities

Our Foundations

Our Mission

To deliver ethical, seamless, and transparent recruitment solutions that empower businesses with world-class labor while creating transformative career paths for global talent.

Our Vision

To become Africa's most trusted global workforce partner, recognized internationally for reliability, operational integrity, and candidate welfare standard excellence.

Core Values

Integrity in every contract, absolute legal compliance, worker safety priority, continuous candidate screening, and long-term client strategic partnership.

Ethical Recruitment Focus

100% Compliant & Transparent

At AfriAsian Workforce Global, compliance and human rights are at the center of everything we do. We enforce strict anti-exploitation frameworks across all sourcing regions.

We work exclusively with accredited and verified international employers, protecting candidates and safeguarding client corporate reputations.

Zero-Fee Principle

Adhering to ILO global standards ensuring fair treatment, verified job offers, and safe transit for every candidate.

Key Industries We Serve

Construction & Energy

Civil engineers, heavy equipment operators, welders, electricians, plumbers, and general site labor.

Healthcare & Hospitality

Nurses, caregivers, hotel staff, culinary specialists, housekeepers, and customer service staff.

Logistics & Industry

Warehouse operatives, forklift drivers, assembly workers, facility managers, and security personnel.

Specialized Solutions

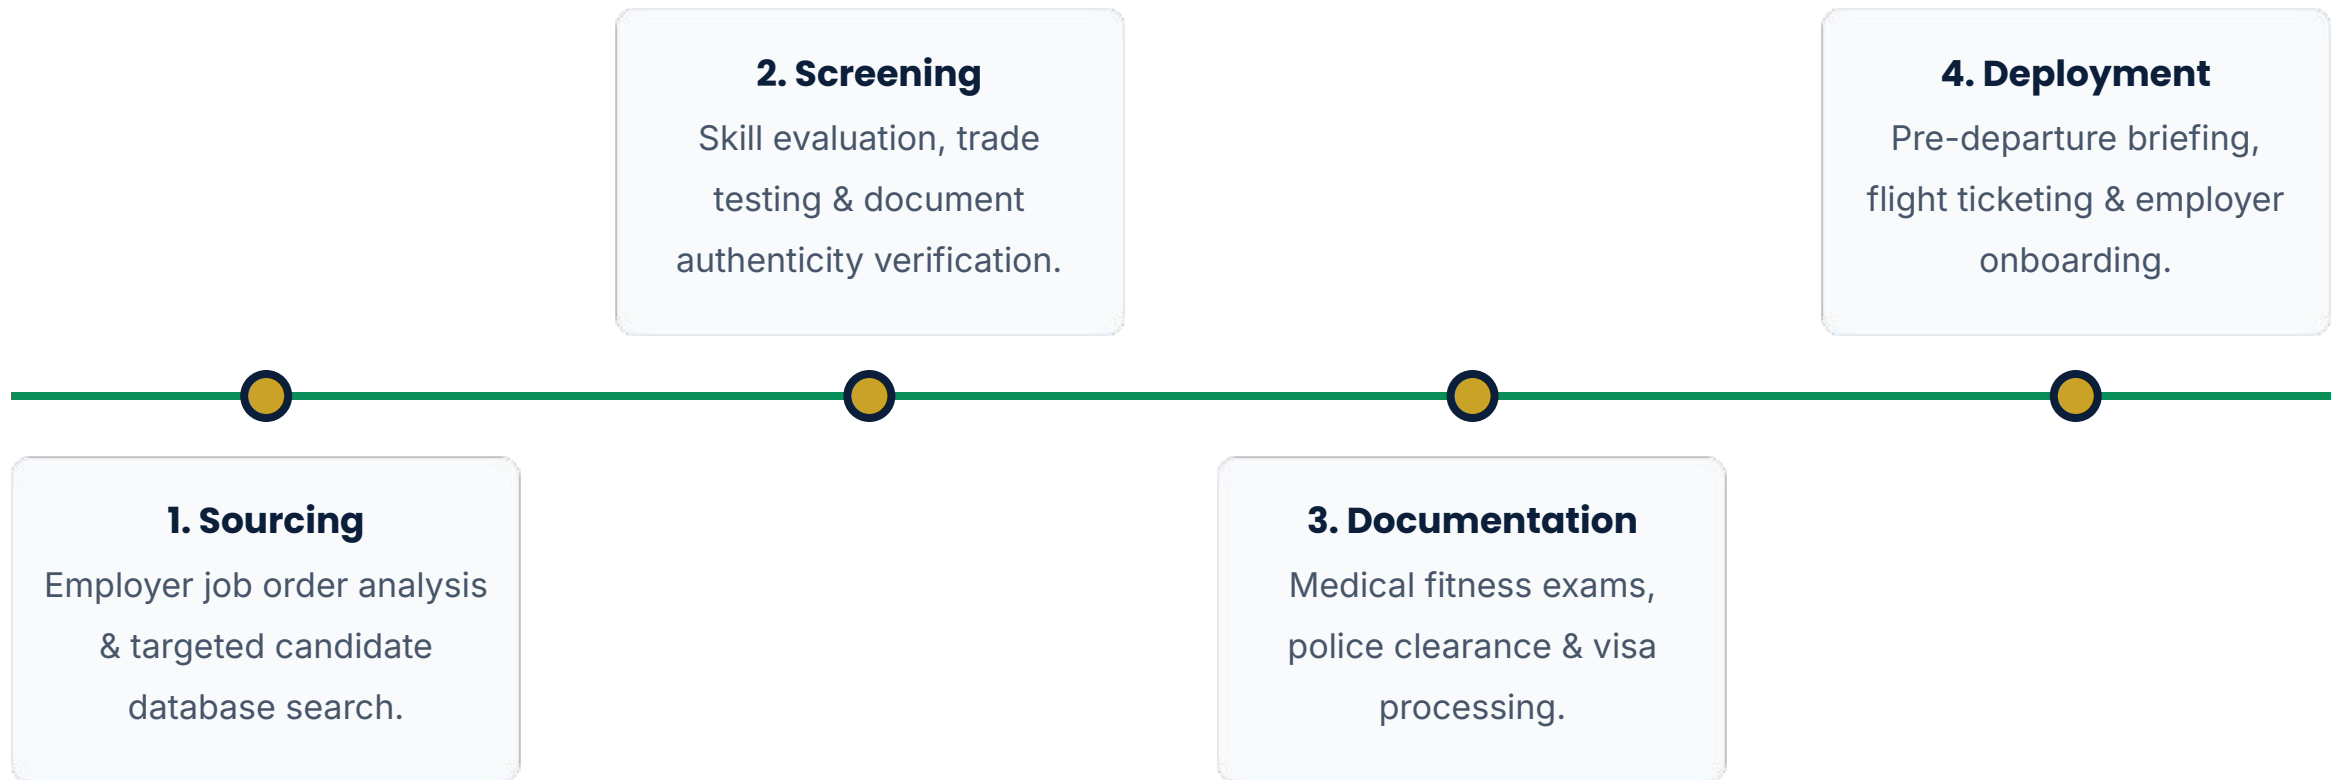

For Employers

- ✓ **International Sourcing:** Mass recruitment & specialized talent acquisition.
- ✓ **Executive Search:** Senior management & engineering talent.
- ✓ **Workforce Outsourcing:** Flexible labor contracts & RPO management.
- ✓ **Deployment Care:** Visa processing, trade testing, and flights.

For Job Seekers

- ✓ **Global Placement:** Verified jobs with legitimate international contracts.
- ✓ **Career Development:** Resume polishing & interview preparation.
- ✓ **Guidance & Orientations:** Pre-departure cultural & workplace training.
- ✓ **Ongoing Support:** On-ground support & contract compliance protection.

End-to-End Recruitment

Candidate Quality Assurance

Multi-Stage Qualification

We implement a strict 5-stage candidate verification process before any worker is presented to a client:

- 1. Technical Trade Testing:** Practical evaluation at accredited training centers.
- 2. Medical Clearance:** Full health screenings at GCC/European authorized clinics.
- 3. Background Checks:** Criminal record and past employment verification.

Impact & Global Scale

100%
